Large stand in prime location.

Welcome to Heidelberg! What a great opportunity to own a large vacant stand in an area that offer views of rolling hills and country life.

It is the perfect property for someone that wants to plan and build the ultimate lifestyle home and garden. Being 4 times the average size plot, it might be a possibility to sub divide into smaller stands and either develop or sell for a profit.

Do not waste time dreaming about it as these plots are getting harder to find.
